

**PACK FOR GOOD / CHILDREN IN MENDOZA**

We are involved in Agrelo's community and help in 4 rural schools, providing children with necessary items such as pencils, colors, puzzles, erasers, and also shoes. If you wish to pack some in your luggage to make a difference in your travels, you will be printing smiles all around and helping local children keep up with their studies.

You are welcome to pack used sneakers-no need to be brand new- sizes 10-13 little kid, 1-5 big kid.

Thank you in advance for your donation, we are sure the empty space in your luggage will be replaced by Mendoza's great wine.

Looking forward to welcoming you,

*Martín, Cecilia & Cavas Team*
